Entitlement Offer Update

Axiom Mining Limited (**Axiom** or **Company**) would like to advise that it is extending the closing date of the acceptance of applications for its 1 for 5 pro rata, non renounceable shareholder entitlement offer announced on 17 May 2019 (**Entitlement Offer**).

Capital raising

The Company is seeking to raise capital separately from the Entitlement Offer. There is market support but the final amount, pricing, structure and outcome of those capital raising activities remains incomplete.

Accordingly, on 27 May 2019, the Company requested a trading halt in its securities and then on 29 May 2019, a voluntary suspension of trading in its securities pending the announcement of the outcome of its capital raising activities. Those activities are continuing.

Impact on Entitlement Offer

The Company has determined that the closing date of the Entitlement Offer will be extended to 5.00pm (Sydney time), Wednesday, 19 June 2019. This will allow the Company time to finalise its capital raising and provide further information to shareholders.

Until that information and any other information that is required to be disclosed is provided in a supplementary or replacement prospectus, offers or invitations under the Entitlement Offer will be suspended and no Axiom shares or options will be issued in connection with it.

If required by law, eligible shareholders who have already lodged applications for Axiom shares and options offered under the Entitlement Offer will be given the right to withdraw their application and be repaid their application monies without interest.
